What you need:

- A free account at **HorseShowsOnline**. If you don't already have an account you can create one when you click the continue button below.
HorseShowsOnline basic member is FREE.
- A record in your account for each person and horse that you will use on show entry forms when you enter a show.

How do I get started:

- Login to **HorseShowsOnline** by clicking the "Member Services" button in the main menu, OR click the continue button below.
- Once you are logged in, click the "My Horses, People, Shows" button in the member menu.
- At the People, Horses, Shows page, add any new people and horses to your account as required on the appropriate tab (IE: My People, My Horses). People and horses are saved with your account. Once you have those records in your account you can use them at every show you enter.
- Click the "Enter show" button to select the show you want to enter and follow the steps in the online entry wizard.

Steps to enter a show:

- Select the show you want to enter from your **"My People, Horses, Shows"** page on the **"My Show Entries"** tab, or find the show you want to enter in show selector and click the Online Entry icon. This will start the online entry wizard. Make sure you have already created the horses and people in your member account.

 - Select the horse, people, and riders for your entry
 - Select the classes each rider is entered in.
 - Select the quantity for stalls and other fees.
 - Confirm your selections
 - Checkout and submit the show entry.
- The final step generates the completed entry form and submits your entry to the show for review and acceptance. If the show requires a payment at entry time, you will be prompted for your credit card information.

Tips:

- You can cancel the entry part way through the wizard and resume the entry later on. For example, if you need to add more people to your account, or you just want to come back and complete the entry later. Unfinished entry forms are listed in your **"My entries"** tab and will allow you to edit the entry.
- People and horses you create in your account are saved permanently and can be used in other shows you enter. You only need to add people and horses once and then they can be re-used.

ASHA NATIONAL SELECT SERIES REGION 7 CHAMPIONSHIP

To be in the program an exhibitor must declare that their horse will not show at The World's Championship Horse Show in the year they are competing, under their ownership. If the horse does show at The World's Championship Horse Show, It **WILL NOT** be eligible for The ASHA National Select Series Championship classes and year end awards.

Also, to be eligible for the Championship classes a horse must have shown in at least (1) class throughout the year in the ASHA National Select Series program. These classes **DO NOT** qualify for The World's Championship Horse Show. To be eligible for the ASHA National Select Series Equitation class, you **MUST NOT BE A PAST OR CURRENT EQUITATION FINALS WINNER**. This class is only for Riders not showing at The World's Championship Horse Show.

ADHHA Show Rules *(Revised 10/18)*

General Rules:

In order to compete, **all horses must be registered** with the American Dutch Harness Horse Association (ADHHA). Horses recorded with ADHHA are not eligible to compete in ADHHA sanctioned classes. All Owners and Trainers must be ADHHA members in good standing.

Type and Conformation:

The American Dutch Harness Horse is a powerful, expressive, high-action, animated horse of great character developed primarily for driving. The ideal is a horse of high quality, upright self-carriage, happiness, correctness of limbs and feet, soundness and suspension with high, open flexing front end motion driven by powerful impulsion from behind. The head should be attractive with alert eyes and ears. The well-muscled, arching neck is set on high with a flexible poll. The shoulder is clean and well laid back onto prominent withers that are higher than the back and croup. Croup should be neither too flat or too sloping and never inverted. Body is proportionate to horse's height and hindquarter shall have a powerful presentation. Legs are straight, clean and strong with well-muscled forearms and gaskins. Feet are large and round with well-sprung heels. Tail is carried high and straight. It is highly recommended that no tail alterations be made. Tail hair switches are allowed.

In Hand Classes:

The American Dutch Harness Horse should possess conformation that is functional for its job. Known as a powerful driving horse, the trot must have a lot of suspension; high, open motion in front and forceful impulsion from behind.

Appointments: to be shown in a suitable show halter or lead bridle and led individually. Weanlings must show without their dams in the ring.

To be judged: on performance, conformation and presence at the walk and at the trot.

How shown: to enter the ring at a trot, showing the horse to its best advantage; then return to the judge for conformation inspection. Horse to stand naturally for inspection. At the completion of inspection, horse is then to walk to the lineup. Two handlers allowed per horse; each handler may carry a whip. Whips may have small, unobtrusive bags or ribbons attached. **Open Horses: Must enter the ring clock wise showing at the trot and return to the judge for conformation inspection.**

Classes offered: Mares, Stallions, and Geldings. These classes may be divided by age if management deems necessary.

Open – may be divided into Mares, Stallions and Geldings, no weanlings allowed.

Junior – for horses 4 years of age and under

Novice – horses not to have won 3 blue ribbons at the close of entries

Kentucky State Academy Rules

Any type leverage bit with a curb chain or strap is not allowed with rein through martingale or a draw rein attached to said bit. Any protective equipment (shin boots, knee boots, rundowns, saddle pads, etc.) will be permitted. Blunt spurs are optional at the discretion of the instructor. No braiding of the horse; hoof blacking is optional. Training devices such as chains, stretchers, and blinkers are NOT allowed in the warm up ring or the show ring.

Judging Criteria: There should be two main divisions:

1. **Equitation:** To be judged on basic seat, hands and form, along with effective control of the horse.
2. **Pleasure:** To be judged on showmanship, ring generalship and presentation of the horse to its best ability.

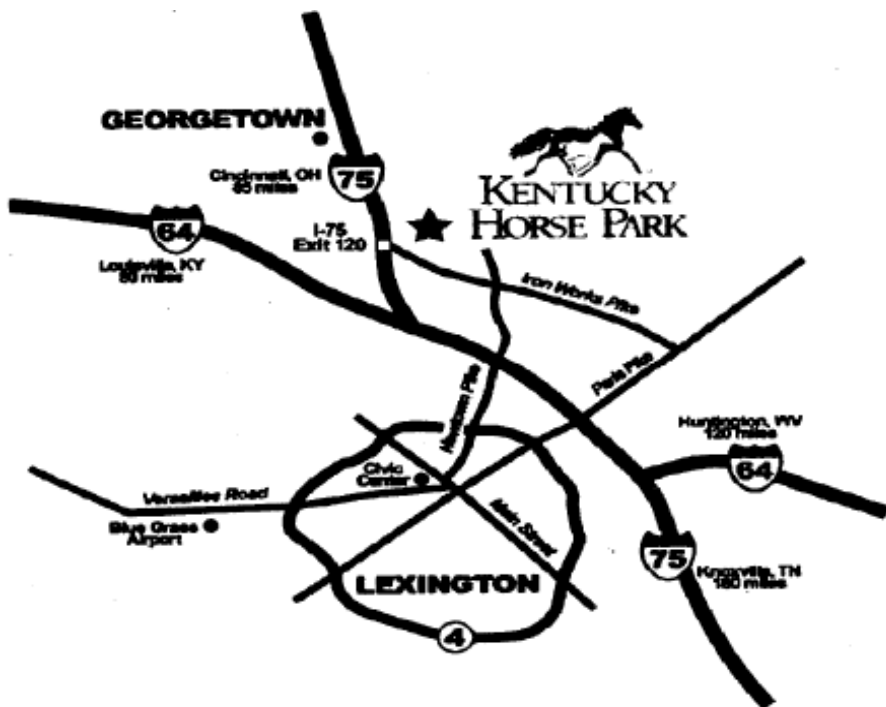

Rider Eligibility: A rider is no longer eligible for the academy division if he/she has shown, dressed in a riding suit in a regular horse show class; with the exception of competing in a 4-H Horse Show. This applies to riders that compete in a suit in the walk/trot division – they cannot then compete in the walk/trot/canter academy division. Exception to this will be for riders to show in the show rider academy classes.

Horse Eligibility: A horse that is used in an academy competition can be farm or privately owned and must earn its living in a lesson program. It cannot be maintained in training within the current show season.

Cross Entering:

1. Management reserves the right to combine and split classes as necessary.
2. It is strongly recommended that class splits be run back to back to aid in having less tack and rider changes.
3. It is strongly encouraged to not split the show rider classes unless more than 20 entries are present.
